<p align="center">The following tests and fees are provided for use by veterinarians. Current information is available online at www.uga.edu/dlab. Please contact us with any questions about our services. If you are an animal owner and wish to submit specimens, please contact your local veterinarian. Fees charged by veterinarians typically reflect the time, expertise, and expense of collecting/shipping samples in an appropriate manner, interpreting results, and providing treatment advice. Therefore, fees charged to owners by veterinarians should always be expected to exceed the Diagnostic Laboratory test prices shown below. Fees are subject to change without notice.</p>
