#Number of working days subject to change.

You are required to be on a rotation (including externships) the entire number of days in the block unless you have an excused absence approved by the Clinical AAO. Refer to the clinical absence policy for more details on excused absences. A minimum of an average of 4 working days per week MUST be completed to receive academic credit.

Unless permission is otherwise granted from CAAO and service faculty, students are expected to cover their rotation responsibilities until 8am on the day FOLLOWING the "ending date" of the block.
