

Comparative Pathology Laboratory

Department of Pathology • College of Veterinary Medicine • University of Georgia

Sample Price List - 2019		
Service	Unit	Unit price
Necropsy procedure, mouse	Mouse cadaver	\$75.00
Necropsy procedure, other species	Cadaver	Inquire
Histopathological/Cytological evaluation (1-4 tissue sections per slide)	Glass slide	\$65.00
Histopathological evaluation (>4 tissue sections per slide)	Tissue section	\$15.00
Publication quality photomicrographs	Digital image	\$30.00
Preparation of caption and legend for photomicrographs	Digital image	\$45.00
Immunohistochemistry optimization for new antibody (procedure, interpretation, and report)	Antibody	\$400.00
Immunohistochemistry with antibodies in use in CPL (inquire about antibody list)	Glass slide	\$50.00
CBC with interpretation (300 µl EDTA-treated whole blood)	Blood sample	\$45.00
Serum chemistry, Liver panel (400 µl serum) Albumin, Total protein, Globulin, Alb:Glob, ALP, ALT, AST, GGT, Bile acids, Cholesterol	Serum sample	\$85.00
Serum Chemistry, Renal panel (400 µl serum) Albumin, Total protein, Globulin, BUN, Ca, Cl, K, Na, Bicarbonate, Creatinine, Phosphorus	Serum sample	\$75.00
Serum chemistry, Muscle panel (400 µl serum) ALT, AST, Creatine kinase, LDH	Serum sample	\$50.00
Serum chemistry, Lipid panel (400 µl serum) Cholesterol & triglycerides	Serum sample	\$45.00
Bone marrow smear (along with 300 µl EDTA-treated whole blood)	Bone marrow smear	\$85.00
Coagulation profile (300 µl whole blood in citrate)	Blood sample	\$55.00
Urinalysis (with sediment analysis) Urine creatinine, Urine electrolytes (Na ⁺ /K ⁺ /HCO ₃ ⁻), Electrolyte:Creatinine Protein:Creatine	Urine sample	\$45.00
