Please compose an essay of approximately 1-2 pages, in which you clearly and succinctly address the following questions: What are your career goals in 5 years? In 10 years? Why are you interested in pursuing a degree in the Master of Food Animal Medicine program? How do you see yourself using this degree in the future? An appropriate essay will thoroughly express your thoughts on these subjects, and will be written in a professional manner.

Please submit this supplemental information form and your essay directly to Dr. Brad Heins by email (bheins@uga.edu) or fax (706-357-0119). You should receive an email confirmation within 24 hours of submitting this form. If you do not receive an acknowledgement within 24 hours, please contact Dr. Heins (706-542-4312) to verify that the form and your essay have been received.
