

NATIONAL PET CANCER
AWARENESS MONTH

BLADDER CANCER

*YOUR DOG'S JOURNEY CAN
INSPIRE HOPE FOR OTHERS*

Whether your dog is newly diagnosed or currently under treatment, your story matters.

- ✓ Share Your Dog's Story to help researchers understand the disease
- ✓ Participate in clinical trials
- ✓ Spread Awareness in your community and online
- ✓ Donate to Support Research into early detection and treatment

Your dog's samples can help researchers understand bladder cancer and develop better treatments.
